Players learn to hit a baseball (soft, for safety reasons) off a "T" and practice running, throwing, and fielding.

They play some games and have fun with new friends.

Festival of Cultures International Silent Auction

In order to cover the costs of the Festival and raise money for a culturally themed event at HES, we are asking for donations of items from different cultures and countries. The items that received much interest last year were food items. People offered to cook a meal, special dish or desert to be delivered to the highest bidder at a mutually agreed upon date after the Festival. There were also jewelry, clothing, art, workshops or classes donated, as well.

Please contact Belinda Friedrich at abouaf@verizon.net or 987-456-3805.
